12-15.09.2022

Россия, Москва, ЦВК «ЭКСПОЦЕНТР»

12+

CONFERENCE PROGRAMME*

19th International Exhibition for Machinery, Equipment and Technology
for Logging, Woodworking and Furniture Industries

LESDREVMASH 2022

EXPOCENTRE Fairgrounds, Moscow

12 September

11.00–12.30

Pavilion No.8,
Conference Hall

FREE

Plenary Session on **Adaptation of the Russian Timber Industry to New Conditions: Supply Chains, Directions of Development, Financial Situation**

- **Welcome address**
Sergey Selivanov, First Deputy Director General of EXPOCENTRE AO
- **Welcome address**
Viktor Amalitsky, distinguished scientist, Doctor of Science (Engineering), Academician of the Russian Academy of Natural Sciences
- **Production and export of timber products: the results of 7 months**
Marina Zotova, Senior Analyst at WhatWood Agency
- **Wood panel sector: export, domestic market and import substitution**
Timur Irtuganov, General Director, Association of Furniture and Woodworking Enterprises of Russia
- **Demand for wooden houses as drivers of industry development**
Vadim Fidarov, Director of Government Relations of the Wooden Housing Association, Candidate of Science (Economics)
- **The pellet market: substitution in Europe, Russia's needs, logistics and certification**
Alexander Makhonko, Co-founder of the Russian Pellet Council
- **The first results of the implementation of the Russian forest certification system 'Forest standard' and the prospects for development**
Nikolay Shmatkov, Director of the Forest Standard forest certification system
- **Prospects for the development of the timber industry: a business perspective**
Alexander Shangin, General Director of Vologda Timber Industrialists

Organised by the ProDerevo information and analytical portal, the LesPromInform magazine and EXPOCENTRE AO

<p>13.00–17.00 Pavilion No.8, Conference Hall</p> <p>FREE</p>	<p>Panel Discussion on Furniture Supply Localisation in Russia: Segments, Technology, Opportunities and Prospects</p> <p>Key topics</p> <ul style="list-style-type: none"> – Promotion of deep processing equipment (veneering, rolling, finishing (all types), plastics, moulding) – Deficit commodity items in matrixes – Localisation of supply for federal and regional chains – Localisation of niche manufacturers for medium high price segment suppliers – The factor of IKEA withdrawal and substitution of its product positions – Pricing <p>Organised by FCProject, EXPOCENTRE AO</p>
<p>12.30–16.30 Pavilion No.8, Buffet Hall</p> <p>PAY</p>	<p>WoodWorld 2022 Forum of the Timber Companies</p> <p>Trends in the wooden board sector against the backdrop of restricted supplies to the European market</p> <ul style="list-style-type: none"> – The state of the wooden boards and plywood industry: export challenges and the Russian market opportunities Marina Zotova, Senior Analyst at WhatWood Agency – Export of products to Vietnam and support from the trade mission in Vietnam Andrey Pecherin, Deputy Head, Trade Mission of the Russian Federation in Vietnam – Consumption of wood boards and plywood by Vietnamese companies and support by VIFOREST Association in cooperation between Russian and Vietnamese businesses Ngo Su Hoai, Vice President and General Secretary of VIFOREST Association (Vietnam) – Opportunities for supply of timber products to India Mamed Akhmedov, Leading Expert of Export Support Unit, Trade Mission of the Russian Federation in the Republic of India – Export of plywood: the vector of market development in the new realities Ekaterina Beletskaya, Marketing Director, VladVneshService – Formwork and monolithic construction market as the driver of plate materials market Ivan Leonov, Head of PERI Panel Materials – Opportunities for Chinese companies to substitute European equipment on the Russian market Yury Strezhen, CEO, Praktika Group – Expectations of panel and plywood producers, forecasts for the near future

	<p>Discussion among the participants of the conference</p> <p>Organised by the ProDerevo information and analytical portal, the LesPromInform magazine</p>
13 September	
<p>10.30–15.00 Pavilion No.8, Buffet Hall</p> <p>PAY</p>	<p>WoodWorld 2022 Forum of the Timber Companies</p> <p>13th International Congress and Conference on Biofuel – Bioenergy: Biofuel CHP and Boilers, Production of Pellets, Briquettes and Wood Chips</p> <p>10.30–11.00 Registration</p> <p>Section ‘Biofuel boilers, biochar and briquettes production’</p> <p>10.40-11.00 Biofuel market in Russia: new challenges Olga Rakitova, Candidate of Science (Economics)</p> <p>11.00-11.20 Logistics of pellets from producer to boiler Oleg Sharov, Svetlobor OOO</p> <p>11.20-11.40 Ecocarbon plants - a new growth driver for the forest industry Alexey Nevrov, Director General, Ecocarbon OOO</p> <p>11.40-12.00 Innovative technology and equipment for production of fuel, torrefied and charcoal briquettes Alexander Pekarets, Forest Technology Company OOO</p> <p>12.00-12.20 Energy production from biomass Dmitry Zhukov, PA Teploresurs OOO</p> <p>12.20-12.40 Production of briquettes at Sveza industrial complex Sergey Korkin, Sveza Bioproduct OOO</p> <p>12.40-13.00 Development of consumer markets of biomass boilers (residential, SME, housing and communal services) - problems / solutions Felix Borisov, Physics of Heat OOO</p> <p>13.00-13.10 Break</p> <p>Section ‘Wood pellet market - new opportunities’</p> <p>13.10-13.30 Wood pellets market in Russia and worldwide Andrey Tikhomirov, the Russian Pellet Council</p> <p>13.30-13.50 Exchange trade in pellets Alexander Makhonko, the Russian Pellet Council</p> <p>14.10-14.30 Ecological and economic assessment of coal substitution by wood fuel on the example of boiler houses of the coastal areas of Lake Baikal Elena Gubiy, Candidate of Science (Engineering), Researcher, Laboratory of energy supply for distributed consumers, Department of Complex and Regional Problems in Energy, Melentiev Energy Systems Institute of RAS, Irkutsk Region</p> <p>14.30-14.50 Innovations in the forestry industry of Khabarovsk Krai for recycling forestry waste</p>

	<p>Valery Gandel, Deputy Minister, Head of the Forestry Industry Development Department of the Ministry of Forestry and Timber Processing of Khabarovsk Krai</p> <p>14.50-15.00 Discussion</p> <p>Organised by IAA INFOBIO</p>
<p>11.00–12.00 Pavilion No.8, Conference Hall</p> <p>FREE</p>	<p>Panel on Biofuel Potential in Energy Technology Solutions for Energy Security of Russian Regions</p> <p>Key topics</p> <ul style="list-style-type: none"> – Contribution of wood biofuels to a guaranteed local energy supply – Affordable cogeneration from small-scale combustion of wood biomass – Rational diversification of fuel and energy balances with bioenergy resources in the development of power infrastructure – Distributed generation from local renewable biofuels (energy capability and economic acceptability) <p>Moderator: Ivan Ivanov, Deputy Director General of the Russian Energy Agency</p> <p>Speakers: Ivan Ivanov, Deputy Director General of the Russian Energy Agency Igor Isaev, designer and developer of innovative small-scale steam driven technology Alexander Soldatov, Deputy Director General of LesEnergo OOO Georgy Ryabov, Doctor of Science (Engineering), Head of Laboratory for special boilers, All-Russia Thermal Engineering Institute</p> <p>Organised by the Russian Energy Agency, the Russian Ministry of Energy, EXPOCENTRE AO</p>
<p>11.30–15.00 Pavilion No.2 Seminar Hall 3</p> <p>FREE</p>	<p>PRo Timber Industry Conference <i>An industry event on promoting companies in the timber and furniture industry</i></p> <p>11.30–12.00 Registration</p> <p>12.00–12.25 Timber industry: Trends. Equipment. Resource centre. A unified information platform - vertical and horizontal connections of all industry players Alexander Tambi, Head of the Lestech Association, Doctor of Science (Engineering)</p> <p>12.25-12.50 PR is (not) equal to sales: is it possible for companies to operate without promotion in timber and furniture industries? Olga Ryabinina, Founder of PR agency MediaWood, journalist</p> <p>12.50-13.15 The industry press. New formats Svetlana Shiryaeva, Editor-in-Chief of Mebelshchik portal, Mebelshchik Sibiri and Mebelshchik Yuga magazines</p> <p>13.15-13.40 A look from the inside. Timber industry enterprises: expansion of work at information platforms Kermen Mandzhieva, Vice President for Strategic Communications and Brand at Segezha Group</p>

	<p>13.40-14.10 A look from the inside. Equipment manufacturers. New forms of promotion and requirements to information platforms Vladimir Shvets, Coordinator of the Engineering Centre of the Lestech Association</p> <p>14.10-14.35 Industry-specific activities (exhibitions, conferences, associations, communities) as a tool for business development Timur Irtuganov, Director General, Association of Furniture and Woodworking Enterprises of Russia</p> <p>14.35-15.00 Discussion. Open microphone</p> <p>Organised by the Lestech Association of Timber Machinery and Equipment Manufacturers, the MediaWood PR agency, EXPOCENTRE AO</p>
<p>11.00–14.00 Pavilion No.2 Seminar Hall 4 FREE</p>	<p>Panel on Relevant Problems of Import Substitution in the Timber Industry: Ensuring Uninterrupted Operation of Equipment by Creating Production Facilities for the Manufacture of Spare Parts, Components, etc.</p> <p>Organised by the Association of Furniture and Woodworking Enterprises of Russia, the Russian Association of Organisations and Enterprises of the Pulp and Paper Industry, EXPOCENTRE AO</p>
<p>12.00–18.00 Pavilion No.8, Conference Hall LIMITED</p>	<p>3rd Forum on the Russian Forest Engineering</p> <ul style="list-style-type: none"> – Development of entrepreneurship and education in technological equipment for the timber industry <p>Organised by the Russian Association of Organisations and Enterprises of Woodworking Machine Building, EXPOCENTRE AO</p>
<p>14.00–16.00 Pavilion No.2 Seminar Hall 4 FREE</p>	<p>Specialised Session on Robotisation of the Timber Industry.</p> <p>Key topics</p> <ul style="list-style-type: none"> – Peculiarities of the use of robots in the timber industry – Technologies for the modernisation of timber industry enterprises <p>Organised by the Russian Association of Robotics, EXPOCENTRE AO</p>
14 September	
<p>11.00–17.00 Pavilion No.8, Buffet Hall PAY</p>	<p>WoodWorld 2022 Forum of the Timber Companies</p> <p>Conference on Sawn Timber Market in Recovery: Export, Consumption, Production</p> <p>External markets:</p> <ul style="list-style-type: none"> – State of the sawn timber market: analysis of changes in the situation of the last 7 months Marina Zotova, Senior Analyst, WhatWood – Opportunities for Singapore companies to promote Russian products in Southeast and South Asian markets"

	<p>Ashwini Mudgal, Chief Operating Officer, Sudima International</p> <ul style="list-style-type: none"> – Export prospects and zero customs duties on Russian sawn timber in Iran and Indonesia <p>Anton Tsetsinovsky, Head of Special Trade Regulation Department, EEC</p> <ul style="list-style-type: none"> – Company capacity and lumber requirements for shipments to the Kingdom of Morocco <p>Guillaume Hotelin, CEO Robelbois (Morocco)</p> <ul style="list-style-type: none"> – Opportunities for cooperation between Russian timber producers and Morocco and support from the trade mission <p>Artem Tsinamdzhvishvili, Trade Representative of the Russian Federation in the Kingdom of Morocco</p> <ul style="list-style-type: none"> – Sawn timber supplies to Lebanon and opportunities for cooperation <p>Ziad El Hawat, CEO, Hawat Trading Company (Lebanon)</p> <ul style="list-style-type: none"> – Requirements for lumber supplied to India <p>Mikhail Dmitriev, General Director of the ProDerevo information and analytical portal</p> <ul style="list-style-type: none"> – Import-export relations between Russia and China under new conditions: economic, legal and practical aspects of interaction <p>Evgeny Kozhevnikov, Head of the mobile office of the Russian CCI Soyuzexpertiza ANO in China, foreign trade expert,</p> <p>Oksana Polyanskaya, Head of the Single Window expertise support centre of the Russian CCI Soyuzexpertiza ANO</p> <ul style="list-style-type: none"> – Expectations of lumber producers, forecasts for the near future <p>Exchange of opinions by the conference participants</p> <p>Internal markets:</p> <ul style="list-style-type: none"> – Main current trends in deep timber processing in Russia <p>Maxim Molchanov, Director of Regional Relations and PR, Association of Wooden Housing Construction</p> <ul style="list-style-type: none"> – Status and prospects of wooden housing construction in Russia and worldwide <p>Vadim Fidarov, Director for Government Relations of the Association of Wooden Housing Construction, Candidate of Science (Economics)</p> <ul style="list-style-type: none"> – Development of supply and demand for CLT in Russia <p>Vera Vavilova, DDM-Stroy, Eduard Menschikov, StroyHouse</p> <ul style="list-style-type: none"> – Development of supply and demand for wooden housing construction using quick-assembly technology: plywood huts, Sota technology <p>Semyon Goglev, Director of Strategic Development of the Association of Wooden Housing Construction</p> <ul style="list-style-type: none"> – Market participants' expectations, forecasts for the near future <p>Exchange of opinions by the conference participants</p> <p>Organised by the ProDerevo information and analytical portal, the LesPromInform magazine</p>
--	---

11.00–14.00 Pavilion No.8, Conference Hall	Scientific and Methodological Council on the Forestry Industry: Current Issues of Forestry Education Development, Formation of Modern Educational Standards and Educational Programmes Organised by the Association of Furniture and Woodworking Enterprises of Russia, Mytishchi Branch of the Bauman Moscow State Technical University, EXPOCENTRE AO
14.30–17.00 Pavilion No.8, Conference Hall FREE	Panel on the Russian Furniture Industry under Conditions of Technology and Materials Shortages: a Discussion among Professionals Key topics <ul style="list-style-type: none"> – Is the industry in danger of falling behind due to sanctions? – Will the Russian furniture industry still have access to the latest woodworking technologies in the next two to five years? – Substitution along the entire chain: equipment, tools, components, materials Organised by FCProject, EXPOCENTRE AO
15 September	
11.00–13.00 Pavilion No.8, Conference Hall FREE	Expert Advisory Council on the Timber Industry: Prospects for the Development of the Timber Industry of the Russian Federation in the Modern Conditions and Ways of Their Implementation in Forestry Machinery and Machine Tool Building Organised by the Association of Furniture and Woodworking Enterprises of Russia, EXPOCENTRE AO
